

The Couch

Let's introduce... This couch has the looks! It frowns, signs, whispers and keeps an eye on you. Left and right feel easily at home. They sure can speak words of wisdom, but a light informal conversation for social occasions can be arranged too. It is real French Baroque and that's no joke!

Technical details:

- preparation 1,5 uur before start
- performance +/- 4 x 30 minutes in between 4-5 hours

- measurements couch: 1,95 meters long, 1,05 meters dept, height 1,3 meter
