

# JACKPOT

Take a risk and gamble on this one-armed bandit. It has the looks of a slot machine from the roaring twenties but from the inside it is full of human ingenuity. Insert a coin, pull the handle and the machine will start to spin. One by one, three odd characters will pass by. They will decide if you're lucky. What will it be; Grapes, lemons, cherries or four leave clovers? Three in a row is JACKPOT! It is permitted to complain about the results. Jackpot is unpredictable but human, too...
